

# *Introduction to Caerleon Bowling Club*

*All Ages - All abilities*

Welcome to Caerleon Bowling Club (CBC) we hope that you spend many enjoyable years with us and are able to make many new friends within the bowling community.

We appreciate that joining a new club can sometimes be a little daunting therefore you will initially be assigned a 'buddy' this is so that you have a point of contact in our Club, it is our aim that they will provide continuity for you. Please feel free to ask them questions so that your transition into our Club is a seamless one.

We have around 40 playing members and there are plenty of matches for the Men to play, including our own internal Club competitions. You will have the opportunity to play as many or as few of these games as you are able.

(We also have a Ladies team which is run separately and we will provide you with a contact details if you are interested)

The bowling green is situated in Coldbath Lane, Caerleon, Gwent, NP18 1NF. We hope that you will have visited the bowling green, however we include a 'map' for your assistance or if you need to guide friends and family to the green.  
(this is also available on our website)

A little bit about us:

Caerleon Bowling Club (CBC) is based in the Historic Roman Fortress Village of Caerleon near Newport in South Wales. The men's bowls team participate many leagues and cup competitions and we are affiliated to the associations:

- ✓ Newport Bowling Association (NBA)
- ✓ Monmouthshire Bowling Association (MBA)
- ✓ And Welsh (WBA) Bowling Associations

The bowling green is owned by Newport City Council but since 2013 has been self managed jointly by Caerleon Bowling Club (CBC) and Newport Athletic Club (NAC) who moved to Caerleon to share our green in 2013. The Council stopped maintaining the facilities due to financial cutbacks in 2013.

Present day.

The Club has a well established and busy fixtures list over the years, these include visits by a number of touring sides where we have a home and away arrangement. We also have an annual tour, which takes place around May Bank holiday.

As a Club we also enjoy competing in the Welsh, MBA, NBA and Newport Over 60's competitions in singles, Pairs, Triples and Fours. These are usually played on various greens throughout the region over the season.
