

Caerleon Bowling Club (Est 1951)

Part 1 - Introduction to Caerleon Bowling Club

Welcome to Caerleon Bowling Club (CBC) we hope that you will spend many enjoyable years with us and make many new friends within the bowling community.

We appreciate that joining a new club can sometimes be a little daunting therefore you will initially be assigned a 'buddy'. This will give you a point of contact in our Club and should provide you with some continuity.

Please feel free to ask them questions about Club life, this is to make your transition into our Club as seamless and enjoyable as possible.

We have around 40 playing members and there are plenty of matches for the Men to play, including our own internal Club competitions. You will have the opportunity to play as many or as few of these games as you are able.

(We also have a Ladies team which is run separately, and we will provide you with a contact detail's if you are interested)

The bowling green is situated in Cold Bath Lane, Caerleon, Gwent, NP18 1NF. We hope that you will have visited the bowling green. However, we include a 'map' for your assistance or if you need to guide friends and family to the green.
(This is also available on our website)

Caerleon Bowling Club (CBC) is based in the Historic Roman Fortress Village of Caerleon near Newport in South Wales. The men's bowls team participate in many leagues and cup competitions, and we are affiliated to the following associations:

- ✓ Newport Bowling Association (NBA)
- ✓ Monmouthshire Bowling Association (MBA)
- ✓ And Welsh (WBA) Bowling Associations

The bowling green is owned by Newport City Council. However, since 2013 it has been self-managed jointly by Caerleon Bowling Club (CBC) and Newport Athletic Club (NAC). The NAC moved to Caerleon to share our green in 2013. The Council stopped maintaining the facilities due to financial cutbacks in that year.

The bowling season runs from April to September and club has full fixture list with two or three games per week. We also have an annual arrangement with two touring sides with which we have a home and away arrangement. We also have an annual tour, which takes place around May Bank holiday each year.

As a Club we also enjoy competing in the Welsh, MBA, NBA and Newport Over 60's competitions in singles, Pairs, Triples and Fours. These are usually played on various greens throughout the region over the season.
